PLACE AND DATE

REQUIRED DOCUMENTS

To complete your application, you must submit the following:

- 1.- Completed Application Form.
- 2.- Certified copy of the Professional Degree Certificate and/or Academic Degree (Bachelor's or Master's) in areas related to Mathematics.
- 3.- Official transcript(s) of undergraduate and/or highest degree obtained. For international applicants, this document must clearly indicate the grading scale used and the minimum passing grade. A certified copy must be provided.
- 4.- Undergraduate class ranking certificate indicating the applicant's position within their graduating cohort, issued by the home institution. If the undergraduate institution does not provide such ranking, this must be explicitly certified by the institution or by the relevant Ministry of Education, as applicable.
- 5.- Copy of National ID (both sides) or valid passport (for international applicants).
- 6.- Digital photograph.
- 7.- Updated Curriculum Vitae (including publications, research projects, conference participation, and teaching experience, if applicable).
- 8.- Statement of Purpose, including: Motivation for applying, research area of interest, funding plans, any previous or ongoing research work and intended level of dedication to the program.
- 9.- Two confidential letters of recommendation addressed to the Director of the Program.

Referees must be academics from the institution where the applicant obtained their degree or from their current institution, with relevant experience in the field. Letters must be sent directly by the referees to: doctorado.mat@ufrontera.cl

Optional: Additional documents supporting academic excellence, participation in seminars or conferences, and/or proof of English language proficiency (TOEFL, IELTS, TOPIK, etc.).

APPLICATION PERIOD: From Monday, June 1 to Friday, October 2, 2026

SUBMISSION OF DOCUMENTS: Applicants must submit all required documentation (in PDF format) to the official email address of the PhD Program in Mathematical Sciences: doctorado.mat@ufrontera.cl, within the established deadlines. All documents must be attached in a single compressed folder (ZIP format). The subject line of the email must be as follows: Application PhD in Mathematical Sciences: First Name, Last Name, ID/Passport Number.

The selection process will be conducted among applicants who submit a complete application and meet the requirements established in the call.
